

Queries after qualifying practices

If a driver or car did not qualify for the race, the driver(s) / team(s) can ask the stewards special permission to start from back of the grid, giving their arguments.

This request must remain an exception, and it should not be considered that the authorization is granted de facto.

This request should be submitted to the Competitor Relations Office - 1st floor Pit Building - Room 121.

Requests deadline to ask for a special permission after the qualifying practices :
